WATER BOILER

Models Water Boiler

- 39108** 8 LITER, 120V WATER BOILER
- 39110** 10 LITER, 120V WATER BOILER
- 39118** 18 LITER, 120V WATER BOILER

Standard features

Our water boilers are made of durable stainless steel construction, with an adjustable exterior thermostat (95° F - 205° F) allowing the selection of the proper water temperature for any hot beverage and for brewing different varieties of teas. Provides a cost effective alternative to other manufacturers products. Unit makes and holds hot water for up to 8 hours. Town Food's water boilers are covered by our 3 month limited warranty.
